MISCELLANEOUS COMMUNICATION

**Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231**

Sir:

Due to a docketing error, it has come to the undersigned's attention that the response filed on March 7, 2007 in the above-captioned application was intended to be filed as an RCE, but was instead filed as an after-final amendment. As such, the application is now technically abandoned.

It was not applicant's nor the undersigned's intention to abandon the application. A Petition to Revive is filed herewith, along with a Request for Continued Examination.

Consideration of the merits of the Amendment of March 7, 2007 is respectfully requested.

Respectfully submitted,

Robert P. Bell
